A Few Words From the President

Over the past 12 months the committee has worked hard to provide our members with a great training facility, staff and a few bonuses which I will discuss shortly.

I would like to thank all the committee, staff and all those who volunteered their time to help the club out of the last 12 months. We are also seeking helpers for our trials which we hold 4 times a year. This year we are experimenting with some double trials which means we will be in need of more helpers to steward at these events. It would be greatly appreciated if anyone who can help out at these events step up and let us know when asked. The staff and instructors at the club would love to be able to compete at our trials but some are unable to because they are needed to help out as stewards etc.

It is good to see that for our first Trial for the year we have few new comers to the trialing scene from our club. I wish you all the best and good luck on Saturday. For those participating in Rally-O, I am sure Darlene will be watching with her 4 by 2 to correct any handling mistakes. Just joking!! We will all be there to help you through your first experience in trialing. Remember to breathe.....

You may have noticed that we now have all the lights on the park working and reliable. This came at a considerable cost to the club but it is things like this that your training fees go towards. All money raised goes back into the club.

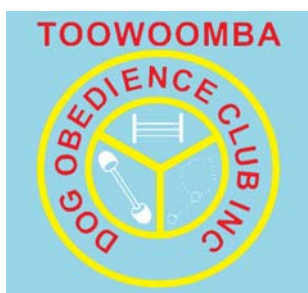

We will be holding a Easter raffle again this year. I would like to ask if you can to donate items that are suitable for Easter hampers. We will be putting several hampers together to be raffled off at easter..

I would also like to congratulate all those who trialed last year and received titles in their chosen activities. I especially would like to congratulate Lee Bryce in obtaining her Agility Champion 300 title. A lot of hard work and time goes in to obtaining a championship and I commend her and Barney for their dedication in achieving it.

On to some exciting news. We now have a wholesale account with Next Generation Pet Food <https://nextgenerationpetfoods.com.au/> in the coming weeks if you selected (YES) on your membership form to being on our mailing list I will be emailing out a price list which you can order from. All orders will need to go through me so that we can place large enough orders to get free freight. Money will need to be given to me prior to me ordering. They sell a huge range of treats, some dry food, medications such as flea and tick products. Please check them out and keep an eye open for my email.

To close I would like to ask if any of you would like to become a instructor at the club? We are always in need of helpers, if you can dedicate some time on Tuesday nights we will train and mentor you to become one of our instructors.

Good luck with your training, remember have fun and enjoy yourself.

DISCLAIMER

On occasions advice may be sought from Club Instructors/Members with respect to veterinary services, canine products and/or lodgings. The Toowoomba Dog Obedience Club Inc would like to make the public aware that any such advice is purely the opinion of that person alone. This club, whilst advertising a number of veterinary services, canine products and lodgings, in no way suggests superiority of one over another, either by stipulation or implication.

IMPORTANT information

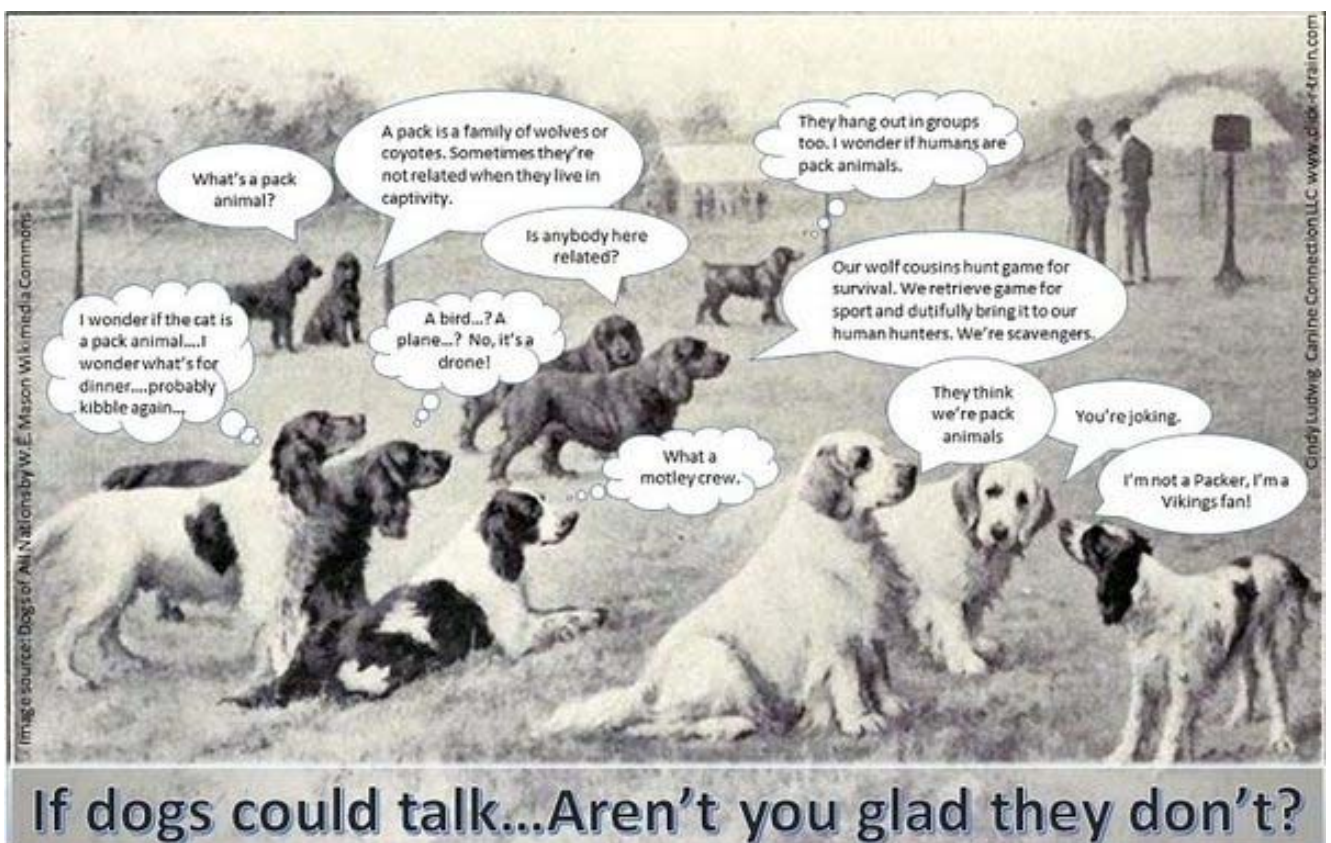

While training with Toowoomba Dog Obedience Club all dogs are required & must wear a martingale or check chain.

Failure to have your dog equipped with this will mean you are not able to train your dog that night.

Martingale & check chains can be purchased on training nights from the club window.

From June 2018 all people training with Toowoomba Dog Obedience Club must become members of Toowoomba Dog Obedience Club. This is to align us with other dog clubs in Qld.

We are always in need of volunteers to help out at our competitions held here on our Toowoomba club grounds. Please facebook TDOC or see us on a Tuesday night for more info if you are able to help.
